

Immaculate Conception Catholic School Continued Care Pricing Rates 2018-2019

We provide before school care from 6:30-8:00am and after school care until 6pm every school day of the year. In the event of a “late start” date, due to inclement weather, we will NOT be open for before school care.

Continued Care Day School Pricing Information

Continued Care provides several different options to choose from. A two, three, or five day plan will be offered for both before and after school care. Families may pick one option, or choose any combination of before and after school care.

Childcare fees are calculated as a yearly tuition of 10 payments. If enrolled in FACTS, there is a processing fee of \$43.00 each year. You may choose between making payments on the 5th or 20th of each month, August through May. If you don't wish to use the FACTS program, you may make a yearly payment on August 5th or two semester payments on August 5th and January 5th.

Should you need our services less than 8 days per month, you may choose the “Pay as you Go” option. Fees are due the DAY OF SERVICE.

Upon registering your child for the upcoming year, a \$25 registration fee is due. Your slot on the continued care program will not be secure until the fee is turned in.

Discounts

If you are a family that needs to use Continued Care for both before and after school care, we do offer a 50% discount on your morning care tuition.

Families that pay the full Continued Care Tuition by the first Friday of the school year, will receive a 5% discount.
