Dear Parents,

Thank you for choosing Catholic education for your child(ren). Our mission is to help your children grow in holiness and provide excellence in education. As a Catholic School, we operate at a deficit each year. Tuition revenue only covers a portion of the cost to educate the children in our school. Below is indicated the tuition cost, the actual cost, and the difference therein for 2017-2018.

We are offering families the opportunity to pay for the entire education of their children. There is no pressure, and we respect the financial constraints of those who are unable. This payment of the difference between the actual cost and the tuition cost could be made directly to the parish at your convenience, (separate please from your normal weekly contribution). This payment of the difference in cost would be tax-deductible.

	<u>Annual Tuition</u>	<u>Actual Full Cost</u>	<u>Difference</u>
1 child	\$4,510	\$5,000	\$490
2 children	\$7106	\$10,000	\$2840
3 children or more	\$8371.00	\$15,000	\$6,629

_____ Our family will pay an additional _____ towards the actual Full Cost of tuition. We understand this amount is tax-deductible and that it will be paid separately from tuition, payable directly to the parish any time during the 2017-2018 school year.

_____ At this time, our family will commit to payment of the Annual Tuition cost, only.
